ECOSEP CONGRESS

Dedicated spaces

A wooded setting of 28 hectares

At the heart of the metropolis of the "Grand Paris" and close to train stations and international airports, a real campus which combines 26 Olympic disciplines, more than 600 elite athletes and 150 national coaches,

A unique conference venue

The INSEP "Paris 1900" room, 350 seats in a modern and pleasant space with a main screen broadcast on six TVs distributed on both sides of the room for maximum comfort of the participants as well as in the amphitheater "Pierre de Coubertin" very close

A dedicated space, gathering exhibitors and catering

The space exhibitors and all catering services (coffee breaks and lunch) will be gathered in a spacious tent, located near the room "Paris 1900" : many customer relations opportunities during the day.
